

**Application for Travel Assistance to Attend the 11th International
Workshop on the Interrelationship between Plasma Experiments in
Laboratory and Space (IPELS), Whistler, British Columbia, Canada,
July 10-15, 2011**

Complete all parts of this application, then submit the completed application via email to
Hantao Ji at hji@pppl.gov

Name: _____

Email address: _____

I am (please check applicable boxes):

- a graduate student
- a postdoc researcher
- a retired researcher
- a woman

at the following institution:

Institution: _____

Department: _____

Mailing address (if you are chosen for a travel award, this is the address we may use
to put on the check, so please make sure it is a current and a physical address):

Telephone: _____

Fax: _____

If you are a student or a postdoc researcher, who is your research advisor:

Advisor's name: _____

Advisor's title (lecturer, assistant professor, associate professor, etc.): _____

Advisor's email: _____

Which field(s) do you consider you belong to:

- Laboratory plasma physics

- Heliophysics
- Astrophysics

Are you giving a presentation at this year's IPELS meeting?

- Yes
- No

If you are giving a presentation at this year's IPELS meeting, enter the title, authors, and complete abstract for this presentation below:

Title:

Authors (all):

Abstract:

Estimate your total expenses to attend IPELS (in US \$)

Airfare: = \$ _____
Ground transportation: = \$ _____
Lodging: _____ nights x \$ _____/night = \$ _____
Meals: _____ days x \$ _____/day = \$ _____
Meeting registration fee: = \$ _____

Total expenses: = \$ _____

Other expenses I expect to have that are not included above are (please enter type of cost and estimated amount): _____

Indicate proposed sources and amounts of all funds you plan to use for the above expenses associated with your attendance at IPELS:

Source #1: _____ Amount: \$ _____

Source #2: _____ Amount: \$ _____

Potential IPELS Travel Assistance (see instructions) Amount: \$ _____

I plan to share a room with at least one other attendee (please enter yes or no) _____

Other cost-saving measures I plan to take include:
